Sonny-Bob Lodge Cabins are located on 3.3 picturesque acres of Oba Lake. The camp is accessible by train or float plane only (no portage necessary). Sitting on the western border of the Chapleau Game Preserve ensures an abundance of wildlife. Oba Lake is known for excellent walleye, jumbo perch, northern pike, white fish and speckled trout fishing. Sonny-Bob cabins also offers excellent black bear and moose hunting in the heart of the Canadian wilderness. Oba Lake has a surface area of 60,067 acres (14 miles long and 1-3 miles wide) and a maximum depth of 43'.
